injury to my body from the

and from the denials of medical care etc. rape/assault,
 I was illegally terminated from my position due to engaging in a protected activity to report these crimes, physical abuses. My Student Loans have defaulted as a result of these incidents and total about \$450,000 which is a burden that is ruining my life - my credit is so bad that

I am unable to even rent an apartment without a co-signer and I am in financial ruin.

My lawsuit is about correcting these retaliatory financial damages that have been done to me and it is imperative that this lawsuit be permitted to go to court so I am able to correct the harms, damages done to me and lead a normal life.

There is absolutely no way that I can pay for court fees. It is a burden to even cover printing fees and costs to do the document filing. My rent is about \$ 800 each month and as you can see there is no way I can pay the court fees. I also have a credit card that is in dispute about \$ 2,600 and I am drowning in debt because of the Defendants. My lawsuit will show evidence that before the Defendants raped/assaulted me and before Defendants retaliated

against me, I was able to acquire employment \$60 - \$80 each hour or about \$150,000 annual salary - the career damages from the retaliation Defendants did to me is so bad that I am unable to gain employment in my field anymore because of the retaliatory character defamation, blacklisting etc. that was done to me.

I hope this lawsuit will repair the damages from Defendants so I can go back to earning a normal salary and move forward.
